2017 in Review

Someone recently communicated the following to me:

You have no idea how my life has changed. Last year we came to the dreams course because my church was hosting it. I didn't dream and wasn't even sure why I was going, but my husband and I went. Ever since that course we have started dreaming. Our marriage is completely different.

It's not that it was bad before, but most of our conversations were about tasks that needed to be accomplished and what to do with our son. Now our whole family gathers and discusses our dreams, praying about what they mean and ministering to each other. Our family is closer, our marriage is closer, because of Streams Ministries.

That is a brief summary of our conversation, and it is only one testimony among many. Every time someone shares with us how they were impacted by the Spirit of God, I am amazed. I can't remember how many times people have told us they didn't dream before taking a course, listening to a teaching or receiving impartation, but now they dream regularly. And when this change results in an entire family growing stronger—wow!

In 2017 Streams teachers taught The Art of Hearing God, Understanding Dreams & Visions and Advanced Workshop in Dreams & Visions in

Canada, the United States, the United Kingdom, South Africa, Sweden, the Netherlands, Germany, the Philippines, India, Russia, Hong Kong, New Zealand and Australia. For the first time ever, The Art of Hearing God was taught in Dutch, German and Swedish.

More than 1,000 people took our courses online. Our videos were viewed more than 5 million times, and our social media pages have reached millions of people around the world.

The Bottom Line

The bottom line is this—together we are changing the world. People are being touched and encouraged. In the midst of so much change for Streams Ministries, we are seeing great fruit from our efforts. Thank you for your continued support and encouragement.

Losing John Paul was devastating for Streams and me. I can't imagine what it has been like for some of you as I've stepped into a leadership role at Streams and started to change things. Some change is inevitable, of course, but it can make many of us uncomfortable. Thank you for believing in the mission of Streams and in my leadership as we move forward

Looking Ahead

We are here to restore the awe of God to the earth and help people fulfill the purpose He created them for. The mission of Streams has not changed. However, the way we are accomplishing that mission is in the process of changing. In the coming season, we will have three main emphases.

2017 IN REVIEW / Continued

Teams and Family

We have Streams Training Centers (Centres for our British friends) around the world—in New Zealand, South Africa, India, Hong Kong, Scotland and England, the United States and Canada. We believe that if we sow into local people doing local work, we will have the greatest impact and see the most reformation released in nations.

We continue to support and encourage our local and international teachers, helping them grow healthy prophetic communities worldwide. We're working with local churches to help them equip the people of God to hear His voice and respond in faith.

Media

In the world we live in, media is a major key to impact and reach. As I mentioned earlier, our videos had more than 5 million views (longer than 30 seconds) just in 2017! How many more people can we reach in 2018? We're asking ourselves how we can keep all the rich resources we have from John Paul available and release new resources that will be impactful as well.

Keep an eye on our website as we roll out some new ideas. We are updating the way we film and edit our shows and will be starting a new interactive show in the next few months.

Resources and Classroom

The Streams courses are life changing! We have hundreds of testimonies of people whose hearts awakened, their spirits came alive and their spiritual gifts jump-started through our courses. We will continue to teach the foundational courses John Paul wrote as well as the courses I have written. We're also about to offer quarterly seminars that will become part of our online classroom.

Ongoing Reach

I wanted to let you know how we did in 2017 and our plans for 2018. I hope you are as encouraged as we are! We've found that the people who follow Streams tend to be prophetic, grounded in Scripture and expect God to move miraculously. We are glad you are part of this family! We know big things are in store for 2018, and we expect God to do more than we could ever ask or imagine through Streams and in your life, family, church or ministry.

IN HIS LOVE,

JOHN E. THOMAS

Prophetic Team Training

Free Online Seminar Available

Prophetic teams are a great way to minister to people in churches, small groups, at conferences and during outreach. On February 10 from 10 a.m. - 5 p.m. (CST), John E. Thomas will teach on how prophetic teams work. He'll discuss the dynamics of each

position on the team and give practical tips on how to minister prophetically as a team. This training is a prerequisite for being on a Streams prophetic team at our events. We would love for you to join us!

February 10 from 10 a.m. - 5 p.m. (CST)

Live on YouTube at www.youtube.com/user/johnpauljacksontv

We will post links on Facebook and Twitter the day of the event

**Come in person to Life Central Church: 2301 Premier Drive,
Plano, TX 75075**

Everyone is invited! There is no cost for this event.

**PLEASE HELP SPREAD THE WORD BY TELLING FRIENDS +
FAMILY AND SHARING ABOUT IT ON SOCIAL MEDIA!**

Starting in February, Streams Ministries will host monthly 14:26 Gatherings. These are in reference to 1 Corinthians 14:26: "What then, brothers? When you come together, each one has a hymn, a lesson, a revelation, a tongue, or an interpretation.

Let all things be done for building up." We know that when we gather, the Holy Spirit begins to move—not just on a few people but on all who gather.

These monthly gatherings will have worship, ministry time and either prophetic

teams or dream teams. If you are going to be near Dallas-Fort Worth or just want to know more about what we are doing, follow the web address or scan the QR code to read more and learn how to stay informed.

The first meeting will be
February 9th, 2018 / 7:00pm
the night before our Prophetic Team Training on February 10.
